

# Travel Safe & Healthy

with International Stage Lines. [www.islbus.com](http://www.islbus.com) [info@islbus.com](mailto:info@islbus.com)

With our enhanced cleaning techniques, we are committed to ensuring your trip is clean, safe, and comfortable.

## Sanitization Required.

- We will clean and sanitize our coaches, before every trip and at the end of the day.
- We will use products that meet CDC requirements for disinfection.
- Special focus on sanitizing high touch points.
- Entrance area handrails, parcel rack handrails, door latches.
- Headrests, armrests, seat belts and seat accessories.
- All surfaces in the restroom, including door handles.
- All surfaces within the driver's area.

## Fresh Air Required.

- All cabin air completely exchanged with fresh air on highest setting.
- HVAC system anti-bacterial air filters will be replaced with greater frequency.
- HVAC system upgraded with **UV Light Disinfection** of air as it circulates the coach.

## Mask Wear & Physical Distancing.

- It is recommended that passengers wear a proper facemask while traveling onboard the motor coach.
- Maintain physical distancing as best you can, when seated, and as you enter and exit the coach.
- Please refrain from traveling if you are not feeling well.

Cleaning protocols and safety procedures may change, as directed by the BC Provincial Health Officer, WorksafeBC, and/or the Passenger Transportation Bureau (PTB) .
